COMMUNITY CARE BEHAVIORAL HEALTH RE-DISCLOSURE CONSENT
MEMORANDUM
FOR YADAC PROVIDERS

Date: March 31, 2015

To: YADAC residential providers

From: Audrey Gladfelter– YADAC Administrator ALG

Subject: Request for Community Care Behavioral Health (CCBH) Re-disclosure

Please be advised that YADAC has the capability of retrieving monies for SCA funded individuals who obtain Medical Assistance (MA) upon admission to treatment and subsequently become CCBH active. In order to retrieve funding for the gap of time between when MA starts and CCBH begins, YADAC must adhere to the State Expedited Plus Plus process. This process requires YADAC to submit client identifying information to the Community Care Behavioral Health (CCBH) office.

YADAC is requesting that effective April 20th, 2015 ALL contracted residential (Detox, Inpatient, Half-way House) providers complete and submit a re-disclosure consent to YADAC for ALL admitted YADAC funded individuals. The re-disclosure consent must be filled out for the facility where the individual is in treatment to YADAC to re-disclose to the CCBH office. The information that will need to be disclosed and included on the consent is:

1. Individual's name
2. Demographics
3. Whether the client is or is not in treatment
4. MA ID # (if necessary)

This consent must accompany the regular T-11 Policy paperwork. Further, it is advised that the provider have all individuals in question sign provider consents to disclose information to CCBH directly.
