RUN, JUMP, SPLASH, PLAY, LEARN, & DISCOVER WITH US AT NATURE CAMP!
Through daily hikes, water exploration, wildlife observation, nature journaling, and games, we seek to build positive outdoor memories, grow friendships, and enhance natural curiosity.

All camps run 9:30am - 2:30pm

If multiple locations are indicated, drop-off and pick-up locations vary by day.
If camp visits Kain Park, students will be canoeing.
Campers must meet the minimum age requirement before their camp date.

Camp Registration

NEW THIS YEAR: Each student will initially only be able to register for one week of camp. On April 1, open spots will become available to register for a second week.

1. To register early, become a park member at SupportYourParks.org.
2. Prepare for the new registration system by creating an account for your family at <https://tinyurl.com/NDC2023>. Don't forget to add each family member.
3. On Jan 16 for members or Feb 6 for non-members (8:30am), login to <https://tinyurl.com/NDC2023>, add the event date to your cart, and checkout online. If spaces are full, you will be added to the waiting list when you checkout instead of submitting payment. When a space opens, everyone on the waiting list will be notified.
