

# WellSpan Geriatrics

**(717) 851-5736**

## **WellSpan Geriatrics Pine Grove Commons**

130 Pine Grove Commons, York, PA 17403  
Telephone: (717) 851-5736 Fax: (717) 851-6162

### **HOURS**

Monday – Friday 8:00am - 5:00pm  
Saturday & Sunday - Closed

WellSpan Geriatrics offers comprehensive evaluations for patients 65 years or older with memory related concerns. Our team of caring, board-certified geriatricians along with our licensed clinical social worker will complete an extensive evaluation and diagnosis. When the evaluation is complete, our geriatricians will develop a care plan with input from you and your loved ones and in conjunction with your primary care provider.

We do not offer primary care services to the general geriatric population. This practice is specific to cognitive impairment assessment and treatment.

As part of our ongoing goal to make WellSpan services easier to access and use, we will coordinate your care through MyWellSpan, our secure online tool. Use MyWellSpan to manage your appointments, review lab and imaging study results, communicate with your doctor, access your confidential medical records and more.

- [Most health plans accepted](#)
