Dear Monaghan Township Tax Collector:

Attached is the audit report of your tax collection records for the County of York, prepared by the York County Controller's Office. Our procedures were performed covering the 2018 tax year, which began on February 15, 2018 and ended on January 15, 2019, including the final settlement for the 2018 tax year.

The expanded scope of the Office of the County Controllers Audit Department is under the authority of the Pennsylvania Local Tax Collection Law at 72 P.S. § 5511.1, et seq. specifically 5511.26. Through the guidance and procedures contained in the Local Tax Collection Law, we have issued this report based upon the audit.

Our audit was conducted in order to determine the accuracy of the timeliness of the County real estate taxes collected and to obtain an understanding about whether the tax collections are free of material flaws, among other procedures. No significant deficiencies, findings, or non-compliance were noted during our review. However, it is recommended that the Monaghan Township Tax Collector ensure that there is a list of individual payments for each deposit, including the larger ones made through mortgage companies.

The financials we have audited for the 2018 tax year are attached as **Exhibit A** and will be included in a summary report issued to the York County Board of Commissioners. The information included in the report is intended solely for the use of the Monaghan Township Tax Collector, Charles Hoffman, and the York County Board of Commissioners, and should not be used by anyone other than these specified parties without consent. However, public policy dictates that this report is a matter of public record and its distribution is not limited.

Respectfully Yours,

Gregory F. Bower, MBA  
Controller

For the period of February 15, 2018 through January 15, 2019**

**Note A – DESCRIPTION OF TAX COLLECTOR AND TAXING DISTRICT**

Charles Hoffman was elected to the position of Monaghan Township Tax Collector in 2001 to take office on January 1, 2002. Each elected tax collector's position is a four year term.

In York County, elected or appointed tax collectors are responsible to collect real estate taxes for the County and municipalities. Under the Local Tax Collection Law, the tax collector is required to submit a tax collector report approved by the Department of Community and Economic Development (DCED) and all monies collected in the prior month to the York County Treasurer and the municipality in which they are elected by the tenth day of the following month. When the final settlement of tax records is completed by January 15 of the subsequent year, the tax collector submits unpaid tax parcels to the York County Tax Claim Bureau.

York County is comprised of 72 townships and boroughs. In 2018, Monaghan Township had an assessed total of \$1,201,924.97 in York County. Monaghan Township also had a total of 1,261 parcels.

**Note B – SCOPE AND PROCEDURES OF AUDIT**

The period of our review was from February 15, 2018 to January 15, 2019, which covers the 2018 tax year.

The following procedures were performed during the audit:

- Ensure each tax collector is using a proper EIN and has insurance for deposits over \$250,000
- Ensure monthly DCED reports are submitted by the tenth of the following month
- Ensure remittances from the monthly summaries match up with remittances from the general ledger and balance out at the end of the tax year
- Ensure all financials submitted by the tax collector balance and match up with their annual settlement
- Ensure the proper amounts are being collected during each period throughout the tax year and balance at the end of the tax year
- Ensure the proper amount of interims, exonerations, and collected parcels are being collected each month
- Ensure the correct amount of parcels is the same amount being paid and verify this matches with the tax collector's final report
- Ensure the tax collector's bank statements properly align with the documentation they use to keep track of deposits and payments
- Ensure we are able to track individual payments to the duplicate and verify taxpayers are paying the correct amount based on the period
- Ensure each tax collector is being correctly compensated

**Note C – TAX COLLECTION SYSTEM**

The Treasurer's Office purchased and implemented a new tax collection system in 2016 referred to as iasWorld. iasWorld was developed by Tyler Technologies Inc. A spreadsheet designed by the Treasurer's Office and a brief stint with another tax collection system were what was used before the implementation of iasWorld. The Treasurer's Office chose iasWorld so all could use and would fit in with Assessment/Tax Claim. The Elected Tax Collectors have the option of using the County provided system or to use the system of their choice. Charles Hoffman chooses to utilize his own system for tax collections.

Audit Findings and Observations  
For the period of February 15, 2018 through January 15, 2019**

This section of the report presents the findings and observations that resulted from our annual examination of the financial records. Following any of the findings and observations noted, we provide recommendations to correct or better the described occurrence.

York County provides taxpayers with a 2% discount period until April 17, a base collections period until June 15, and a penalty period until December 31 of each year so that York County can use the tax dollars to best serve the residents of York County as a whole.

**OBSERVATION #1**

**Description:** Bank statement on 4/20/18 showed a deposit of \$296,578.00 whereas the deposit slip showed a deposit on 4/20/18 for \$295,215.75, a difference of \$1,362.25.

**Explanation:** Original deposit slip was correct however the check was not signed or an incorrect amount was on it and the check was returned. The bank notified the Monaghan Township Tax Collector and he said to deposit the check and he will correct. No further action was needed.

**Auditor's Conclusion:** This was listed as an observation because this is a one-time occurrence. The Monaghan Township Tax Collector was able to show that the check was returned and fixed, which is why there was a difference of \$1,362.25.

**OBSERVATION #2**

**Description:** We were unable to see the individual payments on the duplicate made through a large CoreLogic deposit in April.

**Explanation:** Tax Collector has a list of the individuals who pay through companies such as CoreLogic which state the amount and number of each check. No further action was needed.

**Auditor's Conclusion:** This was listed as an observation because the Monaghan Township Tax Collector was able to show he has a list of individual payments for this deposit.

Audit Recommendations  
For the period of February 15, 2018 through January 15, 2019**

In the preceding section of this report, we listed any findings and observations from our audit. This section of the report presents recommendations to correct or better the described occurrences in the Audit Findings and Observations section as well as to help better the tax collection process by each tax collector even if there were no findings or observations as a result from the audit.

**RECOMMENDATION #1**

**Recommendation:** Ensure that there is a list of individual payments for each deposit, including the larger ones made through mortgage companies. This will help show that each taxpayer is showing up on the duplicate and that they are being charged for the correct time period.

**Audit Summary**  
**For the period of February 15, 2018 through January 15, 2019**

We have performed the procedures explained in Note B in order to evaluate compliance for the 2018 tax year ending on January 15, 2019 for the Monaghan Township Tax Collector, Charles Hoffman. Our procedures described follow specific requirements of the Local Tax Collection Law and ensuring compliance with the Local Tax Collection Law was the purpose of this audit.

Reportable conditions involved issues coming to our attention relating to significant deficiencies or non-compliance that could adversely affect the tax collector's ability to show a true representation of the monies collected. While conducting our audit, we came across two observations that, with the help of the Monaghan Township Tax Collector, were easily resolved and needed no further action. It was concluded that both of these observations were one-time occurrences and there were no discrepancies in the tax money collected. It is recommended that the Monaghan Township Tax Collector keeps and submits a list of individual taxpayers for the deposits made by mortgage companies for future audits. This will ensure that the correct taxpayers are showing up on the duplicate and are being charged for the correct time period.

We conducted our audit to obtain a reasonable understanding about whether the tax collections are free of material flaws and to determine the accuracy of the timeliness of the County real estate taxes collected. The financial affairs and compliance with the applicable law are the responsibility of the Monaghan Township Tax Collector. It is our opinion that the taxes were collected for the County in a timely manner. It is also our opinion that the tax collections by the Monaghan Township Tax Collector appear to be in compliance with those generally accepted policies and procedures for tax collectors. We further believe the monthly tax balances recorded on the monthly summaries and DCED reports are accurately stated.

The tax monies collected for Monaghan Township in 2018 are shown in **Exhibit A: Monaghan Township Tax Collections by Month.**
