

COMMUNITY RESOURCE GUIDE

Revised 1/2010
By York/Adams Early Intervention

Introduction

There are many ways to help your child learn and grow during these early years. Exposing your child to typical activities is an excellent way to help them learn new things while the whole family is having fun. This guide is a list of some of the community learning opportunities available in York-Adams Counties and surrounding areas. Many of the things listed are free or low cost, but this is not intended to be an all-inclusive list. If you have questions or are looking for a specific resource not listed in the guide, please ask your service coordinator. They would be glad to help you. There is also a listing of helpful parent resources including some interesting websites to review as you wish.

How to add information to this guide:

You may come across something new and interesting that other families might like too. You may contact: Maurina A. Dittenhafer at MADittenhafer@york-county.org or York-Adams MHMR Program at the York County Government Center, 3rd Floor, 100 West Market Street York PA 17401. This guide is updated every December and a revised resource is available for service coordinators, EI providers, and families in January.

What is STEPPs?

STEPPs is the name of York-Adams' Local Interagency Coordinating Council. It stands for "supporting, teaching, engaging, parents and professionals". This group of parents and professionals meet four times a year; in October, December, March and May to discuss the current information or trends in EI. The group sponsors activities to educate, entertain and connect all of those living and/or working with young children.

The members include: Capital Area Intermediate Unit, Lincoln Intermediate Unit, Mental Health-Mental Retardation, Pennsylvania Dept. of Health, Head Start of York County, Adams County Head Start, Capital Area Children's Center, County Therapy Associates, Christy Musselman, Diane Kern, Dinnah Mitro, Early Intervention Specialists, Easter Seals of Central PA, Family-Child Resources, InvoHealthCare, Janet Hale, Jennifer Mattiko, Jody Wood-Morgan, Kelly Rice, Keystone Children and Family Services, Kim Beard, Maggie Rutkowski, Maggie Whitehead-Bien, Melissa McAneny, Nancy Cardenuto, Pinnacle Infant Development Program, Speech Care, Susan Blum, Tara Higgins, TMB Developmental Therapy and Infant Massage, and UCP of South Central PA.

** Member agencies also noted elsewhere in the guide.*

**Please contact your service coordinator
if you would like to learn more about this group.**

Learning Environments

BOOKSTORES/LIBRARIES

Most local libraries hold regular story times for toddlers and pre-schoolers and special events during the year, which the whole family can enjoy. We recommend contacting the specific location for details. Many local bookstores also have story times.
