PARK BENCH DONATION FORM

Thank you for your interest in donating a bench to the York County Department of Parks and Recreation. The York County Parks consist of eleven parks located throughout the county.

There is a standard park bench identified at each park. The size, color and type of bench vary according to the individual park. Generally, the benches are made from recycled plastic lumber and installed using concrete to anchor the unit in place.

The donation to purchase a bench with a donor plaque is a one-time fee of \$750.00. Each park has a plan that outlines the general location where benches will be placed. There are a limited number of benches available and donations will be processed on a first-come first-serve basis. If you so desire, an appropriate plaque, in keeping with those on existing benches, may be affixed to the bench.

The bench and plaque will remain as long as the bench is deemed appropriate by the parks department and useable by the public. If the bench or plaque should be destroyed by natural catastrophe or vandalism within five years of the original donation, it will be replaced at no additional expense to the donor. Should vandalism become a problem, the parks department has the option of moving the plaque to a central recognition wall within the designated park. After five years, should the bench or plaque be damaged, the plaque will be moved to the designated central recognition wall. The bench may be removed, reused, replaced or relocated and offered again under the park bench donation program.

To donate a bench, please fill out the reverse side of this form, include your check payable in the amount of \$750.00 to the YCPFCT (York County Parks Foundation Charitable Trust) and mail to York County Department of Parks and Recreation, 400 Mundis Race Road, York, PA 17406. Your gift is tax deductible to the extent allowed under the law.

Should you need additional information, please contact Tammy Klunk, York County Parks, (717) 840-7227. Again, thank you for your interest and support of the York County Department of Parks and Recreation!
