

The York County Parks Presents,

Geology and History of the Gettysburg National Military Park Bus Trip

Sunday

October 11, 2015

8:00 a.m. - 4:00 p.m.

Travel by bus to this famous battlefield to learn how the geology played a role in the famous battle. Some of the history will also be told throughout the day that relates to the geology. Don't miss the stop where you will discover dinosaur foot tracks. The trip will be lead by Parks Program Coordinator Jeri Jones. Participants must supply their own lunch and beverage. Cameras are welcome.

Departure from the Rudy Park Administrative Parking Area

Cost is \$30/person

Registration begins August 3rd by filling out form below or
calling York County Parks at 717-840-7440
