If you agree that the Strengthening Families program made a difference in your family, you won't want to miss the chance to attend our four week booster session series! Booster session series are open to all who completed our seven week program and are designed to continue the progress made in the "SFP 101" series.

WE STILL MAKE LIFE EASY! Each week we provide a family-style meal, award prizes for participation, and offer FREE childcare during the classroom sessions for families who have children who are too young yet to attend.
