

Dos and Don'ts with DEP: Is Your Farm Ready for Inspection?

Join Stock and Leader's Agricultural Industry Team for this free program addressing the dos and don'ts for farming operations or agribusinesses facing inspection by the Department of Environmental Protection and County Conservation District.

What You'll Learn:

- Will the DEP Chesapeake Bay Clean-Up Plan affect your farm or agribusiness?
- What should you do to prepare for a compliance inspection?
- What happens if you are out of compliance?
- What could put you in "hot water" with an inspector?
