**December 13, 2019**

**Report #1**

#### **PROJECT DESCRIPTION**

This project involves the replacement of County Bridge #89, which carries Twin Arch Road over the South Branch of the Codorus Creek in North Codorus Township, York County. As part of this project, the entire bridge will be replaced with an entirely new structure. The new bridge will be constructed on the same alignment and similar profile to the existing bridge with minimal roadway reconstruction to tie in the approach roadway. Additionally, the bridge will be improved from one lane of traffic to two lanes.

#### **TRAFFIC CONTROL**

A detour (approximately 6 miles) will be utilized while the new bridge is being constructed. This bridge is along a school bus route.
