This chapter shall be known and may be cited as the Child Protective Services Law.

§ 6302. Findings and purpose of chapter.

(a) Findings.--Abused children are in urgent need of an effective child protective service to prevent them from suffering further injury and impairment.

(b) Purpose.--It is the purpose of this chapter to encourage more complete reporting of suspected child abuse; to the extent permitted by this chapter, to involve law enforcement agencies in responding to child abuse; and to establish in each county protective services for the purpose of investigating the reports swiftly and competently, providing protection for children from further abuse and providing rehabilitative services for children and parents involved so as to ensure the child's well-being and to preserve, stabilize and protect the integrity of family life wherever appropriate or to provide another

alternative permanent family when the unity of the family cannot be maintained. It is also the purpose of this chapter to ensure that each county children and youth agency establish a program of protective services with procedures to assess risk of harm to a child and with the capabilities to respond adequately to meet the needs of the family and child who may be at risk and to prioritize the response and services to children most at risk.

(c) Effect on rights of parents.--This chapter does not restrict the generally recognized existing rights of parents to use reasonable supervision and control when raising their children.

A county agency shall use the Statewide toll-free telephone number for determining the existence of prior founded or indicated reports of child abuse in the Statewide central register or reports under investigation in the pending complaint file.

(b) Limitation on use.--A county agency may only request and receive information pursuant to this subsection either on its own behalf because it has received a report of suspected child abuse or on behalf of a physician examining or treating a child or on behalf of the director or a person specifically designated in writing by the director of any hospital or other medical institution where a child is being treated, where the physician or the director or a person specifically designated in writing by the director suspects the child of being an abused child.

The information shall not be considered a child abuse report unless the agency to which the information was referred has reasonable cause to suspect after investigation that abuse occurred. If the agency has reasonable cause to suspect that abuse occurred, the agency shall notify the department, and the initial complaint shall be considered to have been a child abuse report.

(c) Recording in pending complaint file.--Upon receipt of a complaint of suspected child abuse, the department shall maintain a record of the complaint of suspected child abuse in the pending complaint file. If, due to the particular circumstances of the case, the county agency cannot complete the investigation within 30 days, the particular reasons for the delay shall be described in the child protective service record and available to the department for purposes of determining whether the county agency has strictly followed the provisions of this chapter and whether the county agency is subject to action as authorized by section 6343 (relating to investigating performance of county agency). (d) Referral for investigation.--If the complaint of suspected abuse is determined to be one which cannot be investigated under this chapter because the person accused of the abuse is not a perpetrator within the meaning of section 6303 (relating to definitions), but does suggest the need for investigation, the county agency shall immediately transmit the information to the appropriate authorities.

(a) General rule.--Based on the investigation and evaluation conducted pursuant to this chapter, the county agency shall provide or contract with private or public agencies for the protection of the child at home whenever possible and those services necessary for adequate care of the child when placed in protective custody. Prior to offering these

services to a family, the agency shall explain that it has no legal authority to compel the family to receive the services but may inform the family of the obligations and authority of the county agency to initiate appropriate court proceedings.

(b) Initiation of court proceeding.--

(1) In those cases in which an appropriate offer of service is refused and the county agency determines that the best interests of the child require court action, the county agency shall initiate the appropriate court proceeding. The county agency shall assist the court during all stages of the court proceeding in accordance with the purposes of this chapter.

(2) (i) If the county agency deems it appropriate in a dependency or delinquency proceeding, including an instance in which the alleged perpetrator has access or poses a threat to a child, the county agency may petition the court under 42 Pa.C.S. Ch. 63 (relating to juvenile matters) for a finding of child abuse.

(ii) If the court makes a specific finding that child abuse as defined by this chapter has not occurred, the county agency shall consider the court's finding to be a determination that the report of suspected abuse was an unfounded report. The county agency shall immediately notify the department of the change in the status of the report from an indicated report to an unfounded report. Upon notice, the department shall be responsible for expunging the indicated report consistent with the expunction requirements of this chapter.

(iii) If there is a determination that the subjects of the unfounded report need services provided or arranged by the county agency, the county agency shall retain those records only if it specifically identifies the report as an unfounded report of suspected child abuse.

Cross References. Section 6370 is referred to in section 6340 of this title.

§ 6371. Rehabilitative services for child and family.

The county agency shall provide or arrange for and monitor rehabilitative services for children and their families on a voluntary basis or under a final or intermediate order of the court.

§ 6372. Protecting well-being of children maintained outside home.

The county agency shall be as equally vigilant of the status, well-being and conditions under which a child is living and being maintained in a facility other than that of a parent, custodian or guardian from which the child has been removed as the service is of the conditions in the dwelling of the parent, custodian or guardian. Where the county agency finds that the placement for any temporary or permanent custody, care or treatment is for any reason inappropriate or harmful in any way to the physical or mental well-being of the child, it shall take immediate steps to remedy these conditions including

petitioning the court.

§ 6373. General protective services responsibilities of county agency.

(a) Program objectives.--Each county agency is responsible for administering a program of general protective services to children and youth that is consistent with the agency's objectives to:

- (1) Keep children in their own homes, whenever possible.
- (2) Prevent abuse, neglect and exploitation.
- (3) Overcome problems that result in dependency.
- (4) Provide temporary, substitute placement in a foster family home or residential child-care facility for a child in need of care.
- (5) Reunite children and their families whenever possible when children are in temporary, substitute placement.
- (6) Provide a permanent, legally assured family for a child in temporary, substitute care who cannot be returned to his own home.
- (7) Provide services and care ordered by the court for children who have been adjudicated dependent.

(b) Efforts to prevent need for removal from home.--In its effort to assist the child and the child's parents, pursuant to federal regulations, the county agency will make reasonable efforts prior to the placement of a child in foster care, to prevent or eliminate the need for removal of the child from his home, and to make it possible for the child to return to home.

(c) Assistance in obtaining available benefits.--The county agency shall aid the child and the family in obtaining benefits and services for which they may qualify under Federal, State and local programs.

(d) Duplication of services.--Except where ordered by the court in a proceeding brought under 42 Pa.C.S. Ch. 63 (relating to juvenile matters), a county agency shall not be required to duplicate services which are the statutory responsibility of any other agency.

§ 6374. Principles and goals of general protective services.

(a) Primary purpose.--The primary purpose of general protective services is to protect the rights and welfare of children so that they have an opportunity for healthy growth and development.

(b) Assistance to parents.--Implicit in the county agency's protection of children is assistance to parents in recognizing and remedying conditions harmful to their children and in fulfilling their parental duties more adequately.

§ 6375. County agency requirements for general protective services.

(a) Duties of county agency.--The county agency shall make available a program of general protective services within each agency. The county agency shall perform those functions assigned by this chapter and others that would further the purposes of this chapter. It shall have sufficient staff of sufficient qualifications to fulfill the

purposes of this chapter and be organized in a way as to maximize the continuity of responsibility, care and service of individual workers toward individual children and families. The department, by regulation, shall set forth staff-to-family ratios for the receipt and assessment of reports of children in need of protective services and for the provision of services to neglected children and their families.

(b) Organization of county agency.--Each county agency shall be organized and staffed to ensure that the agency can provide intake for general protective services. Intake occurs when a report or referral is made to the agency or when a parent or person responsible for the child's welfare requests the assistance of the agency.

(c) Assessment for services.--

(1) Within 60 days of receipt of a report, an assessment shall be completed and a decision on whether to accept the family for service shall be made. The county agency shall provide or arrange for services necessary to protect the child during the assessment period.

(2) Each county agency shall implement a State-approved risk assessment process in performance of its duties.

(d) Receiving and assessing reports.--The county agency shall be the sole civil agency responsible for receiving and assessing all reports of children in need of protective services made pursuant to this chapter for the purpose of providing protective services to prevent abuse or neglect to children and to provide or arrange for and monitor the provision of those services necessary to safeguard and ensure the child's well-being and development and to preserve and stabilize family life wherever appropriate. The department may waive the receipt and assessment requirement pursuant to section 6361 (relating to organization for child protective services). Nothing in this subsection limits 42 Pa.C.S. § 6304 (relating to powers and duties of probation officers).

(e) Family service plan.--The county agency shall prepare a written family service plan in accordance with regulations adopted by the department.

(f) Types of services.--Each county agency shall make available for the prevention and treatment of child abuse and neglect: multidisciplinary teams, instruction and education for parenthood and parenting skills, protective and preventive social counseling, emergency caretaker services, emergency shelter care, emergency medical services, part-day services, out-of-home placement services, therapeutic activities for the child and family directed at alleviating conditions that present a risk to the safety and well-being of a child and any other services required by department regulations.

(g) Monitoring, evaluating and assessing.--The county agency shall frequently monitor the provision of services, evaluate the effectiveness of the services, conduct in-home visits and make a periodic assessment of the risk of harm to the child.

(h) Emergency coverage.--As part of its general protective services program, a county agency shall provide 24-hour-a-day emergency coverage and be accessible to the public.

(i) Protective custody.--Pursuant to section 6315 (relating to taking child into protective custody) and after receipt of a court order, the county agency shall take a child

into protective custody to protect the child from abuse or further neglect. No county agency worker may take custody of a child without judicial authorization based on the merits of the situation.

(j) Court action.--If the county agency determines that protective services are in the best interest of a child and if an offer of those services is refused or if any other reason exists to warrant court action, the county agency shall initiate the appropriate court proceedings.

(k) Adjudication of dependency.--The county agency shall maintain its responsibility for petitioning the court when necessary for the adjudication of dependency of a child pursuant to 42 Pa.C.S. Ch. 63 (relating to juvenile matters).

(l) Assistance to court.--The county agency shall assist the court during all stages of a court proceeding in accordance with the purposes of this act.

(m) Weekly face-to-face contacts. -- For those children assessed under this section as being at high risk for abuse or neglect who are remaining in or returning to the home in which the abuse or neglect occurred, the county agency shall ensure that those children are seen at least once a week, either directly by a county agency worker or through a purchase of service, until they are no longer assessed as being at high risk for abuse or neglect.

§ 6376. Appeals with respect to general protective services.

(a) Right to appeal.--A custodial parent or person who has primary responsibility for the welfare of a child may appeal the county agency's decision to accept the family for services. Written notice of this right, along with an explanation of the agency's decision, shall be given to the family within seven days of the decision to accept for service. The department has no authority to modify an order of a court of common pleas.

(b) Receipt and grounds of appeal.--Appeals must be received by the county agency within 45 days of the date when the notice was mailed to the custodial parent or person who has primary responsibility for the welfare of a child. Requests must be made on the grounds that the child is or is not at risk of abuse or neglect.

(c) Review and decision and request for hearing.--The county agency shall review the request and issue a written decision within 45 days of receipt of the appeal. If the agency denies the request, the custodial parent or person who has primary responsibility for the welfare of a child may request a hearing before the department. The request must be made within 45 days of the date of the county agency's decision.

(d) Hearing.--If a hearing is requested, the secretary or his designated agent shall schedule a hearing pursuant to Article IV of the act of June 13, 1967 (P.L.31, No.21), known as the Public Welfare Code, and applicable department regulations. The burden of proof in the hearing shall be on the county agency. The department shall assist the county agency as necessary.

(e) Order.--The department is authorized and empowered to make any appropriate order regarding records to make them accurate or consistent with the requirements of this chapter.

(f) Other appeals.--Action by a custodial parent or person who has primary responsibility for the welfare of a child under this section does not preclude his right to exercise other appeals available through department regulations or the courts.

§ 6377. Caseloads.

The department by regulation shall set forth staff-to-family ratios for general protective services.

§ 6378. Purchase of services.

Except for the receipt and assessment of reports alleging a need for protective services, the county agency may purchase and utilize the services of any appropriate public or private agency. The department shall promulgate regulations establishing standards and qualifications of persons or agencies providing services for a county agency. The department may, by regulation, provide for the establishment of regional facilities or a regional coordination of licensed professional service providers to provide county agencies with access to licensed physicians and psychologists, as required by this section.

The department shall submit the report to the Governor, General Assembly and Attorney General no later than June 1, 1996.
