Deputies teach kids safety tips

How to be careful
How to be safe
How to get help

Be sure to say hello
to deputies in your
neighborhood.

It's always a great idea to
walk and play with a buddy.
Be a safe kid!

When near traffic you should obey all traffic rules and signs. Always look both ways before you cross the road.

If you find yourself lost, try to find an adult to help you or look for a pay phone to call the police.

If someone is bullying you around,
tell a teacher or a parent about it.
No one is allowed to hurt you.

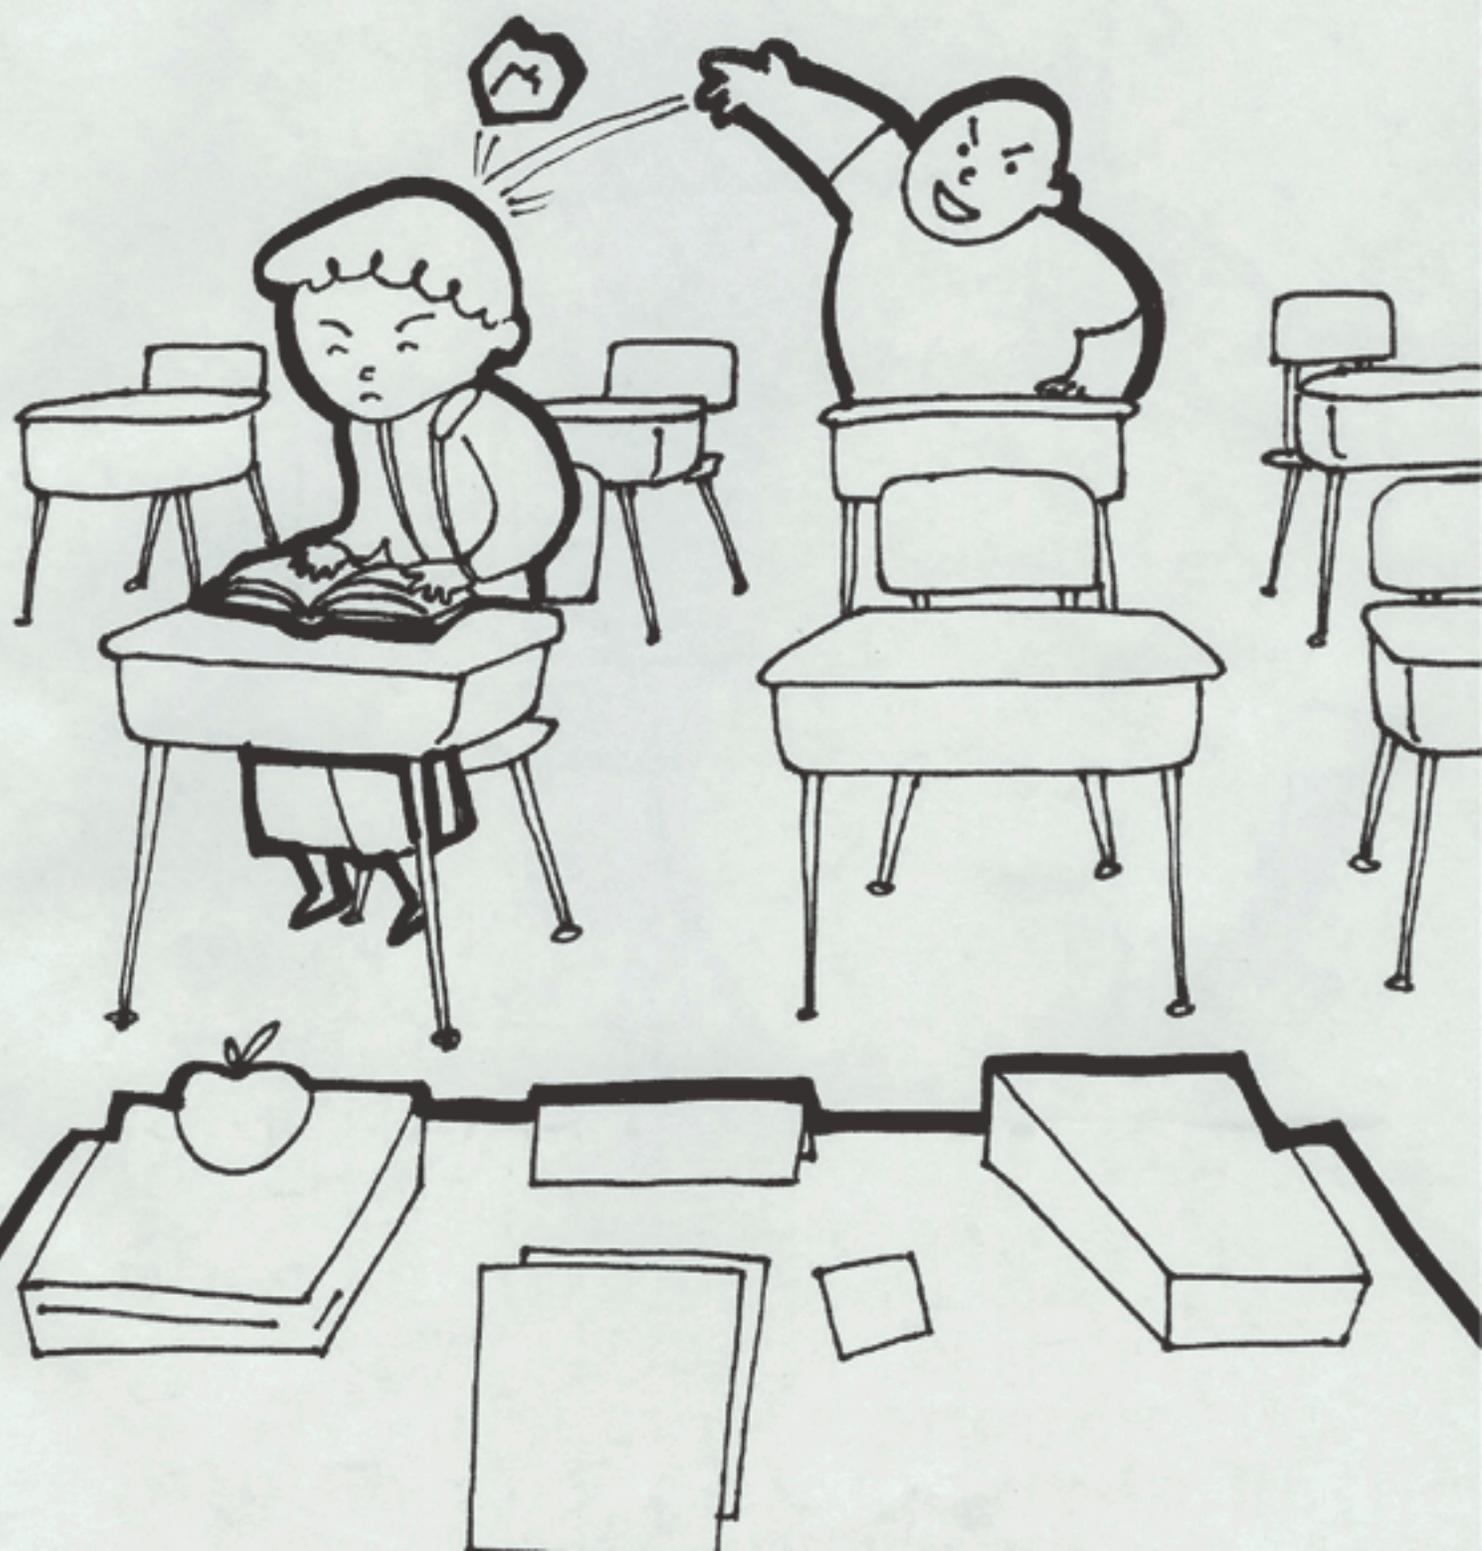

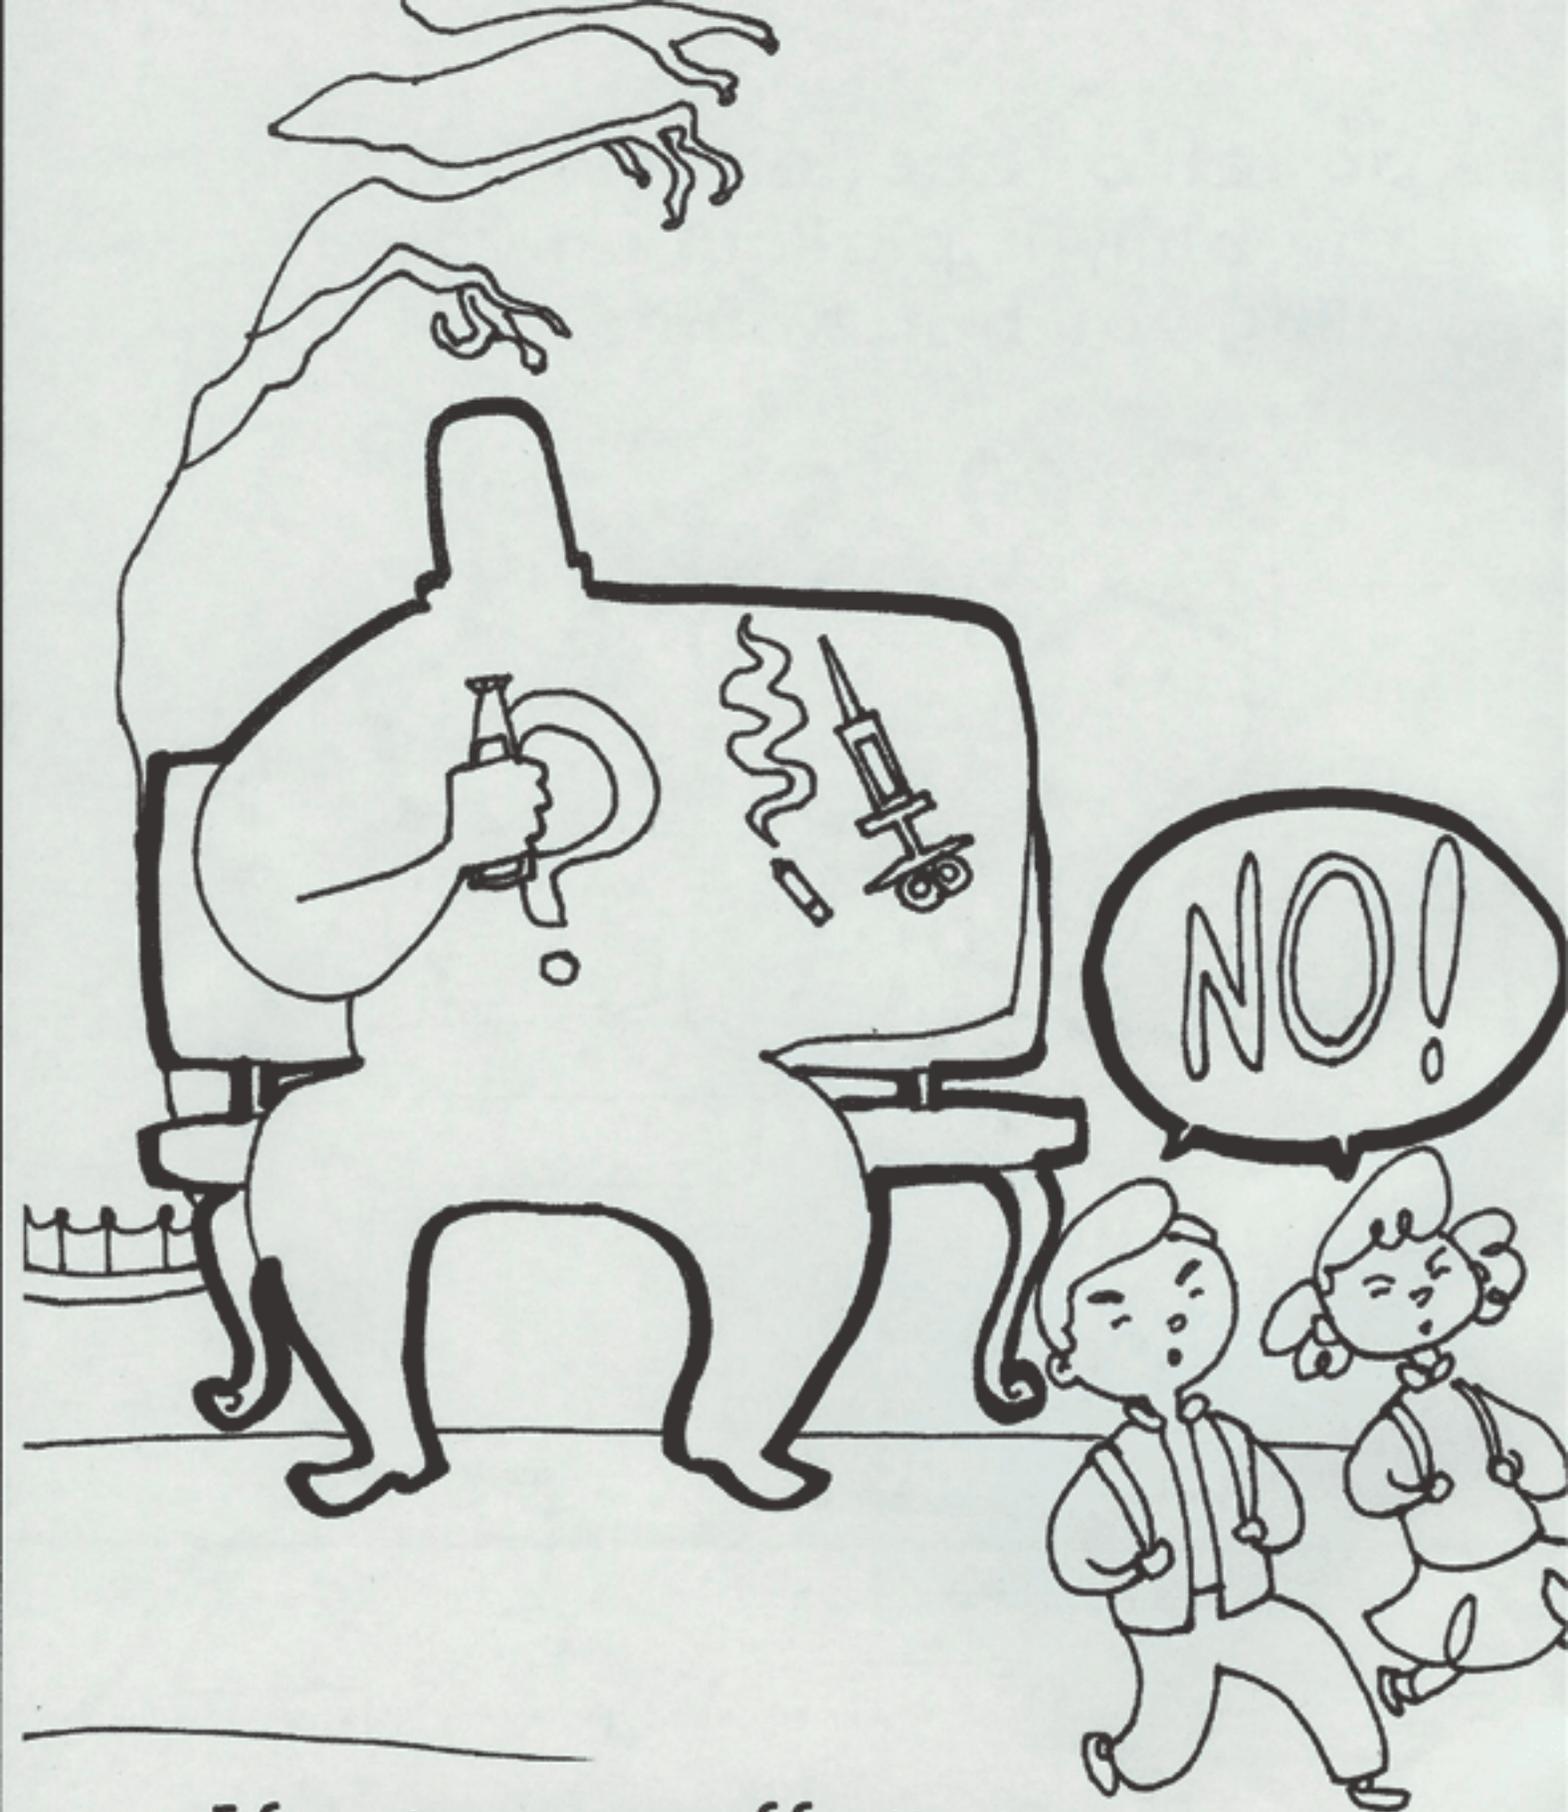

— Tell a parent or teacher if a stranger offers you anything or asks for your help.

If you think someone is following you tell an adult or contact the police using 9-1-1.

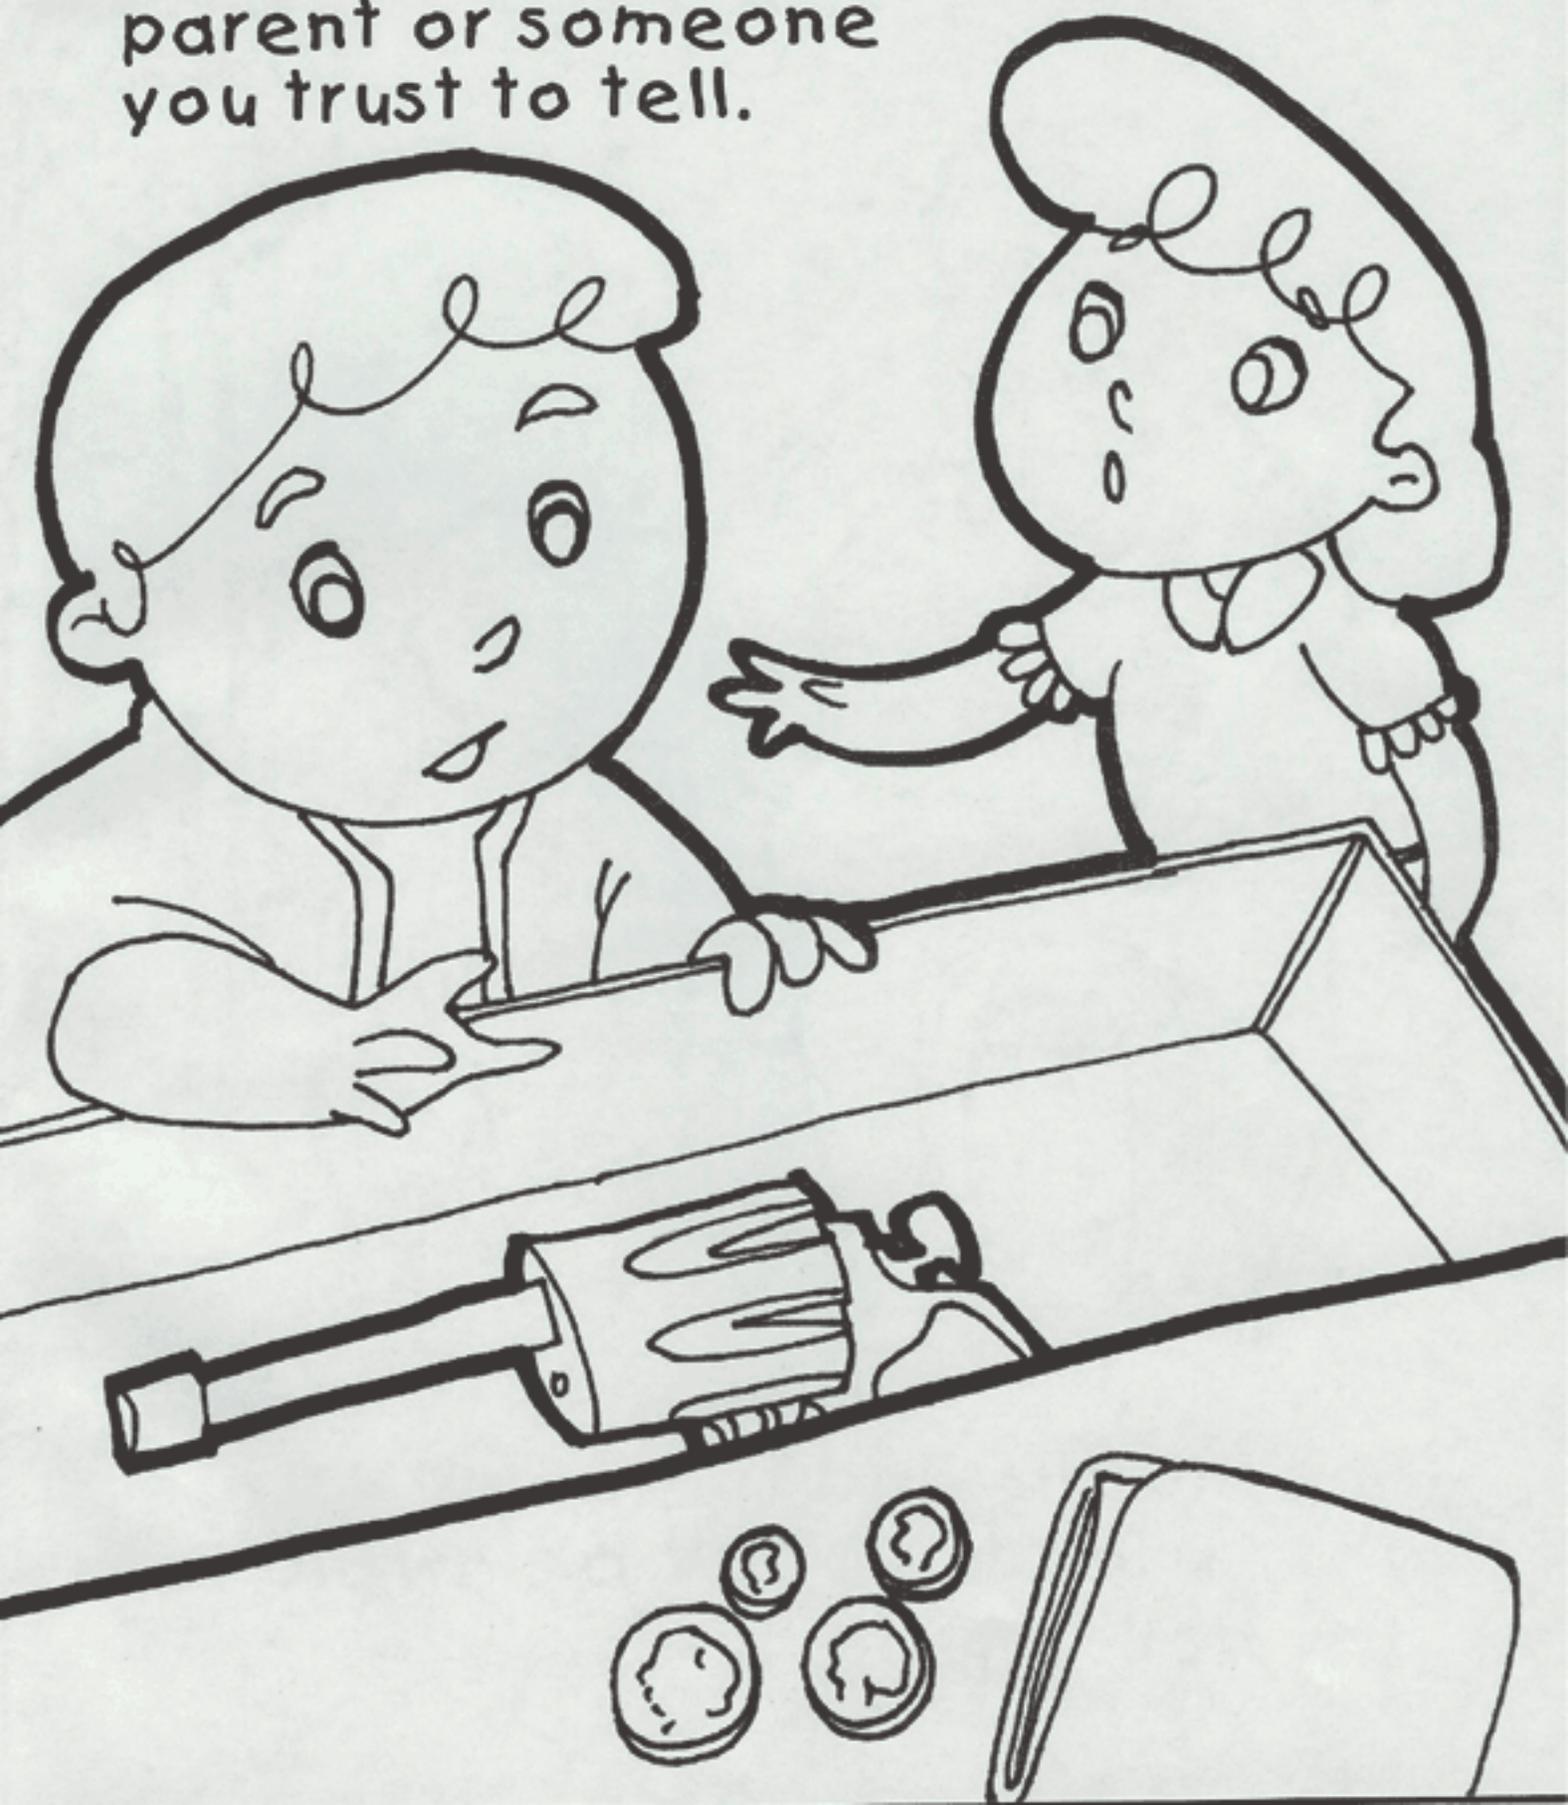

Also tell a teacher or a parent if the bully is picking on you or calling you bad names.

If someone offers you
alcohol, cigarettes or drugs
just say "NO!"

If you should discover a gun
somewhere, **DO NOT TOUCH IT.**
It is very dangerous. Find a
parent or someone
you trust to tell.

The sheriff and the deputies are your friends. Don't be afraid to say hello to them.
