### **Management's Responsibility for the Financial Statement**

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of this financial statement that is free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

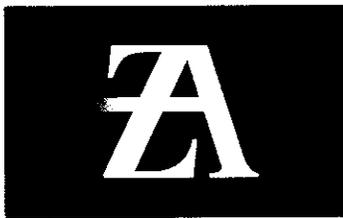

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statement referred to in the first paragraph presents fairly, in all material respects, the cash receipts and disbursements of the COUNTY OF YORK, DISTRICT COURT 19-1-05 for the year ended December 31, 2019, in accordance with the cash basis of accounting described in Note 1.

### **Basis of Accounting**

We draw attention to Note 1 of the financial statement, which describes the basis of accounting. This financial statement is prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

COUNTY OF YORK  
DISTRICT COURT 19-1-05  
NOTES TO FINANCIAL STATEMENT - CASH BASIS  
DECEMBER 31, 2019

NOTE 1: NATURE OF ENTITY AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

District Court 19-1-05 (the "Court"), collects cash from individuals and private organizations as payment for fines and costs assessed in accordance with applicable state and local statutes as determined by the District Justice, an elected official. Cash collected from individuals and private organizations is subsequently disbursed to various governmental entities, individuals, and private organizations. A summary of the Court's significant accounting policies applied in the preparation of the accompanying financial statement is as follows:

A) Reporting Entity

The Court employees are County of York ("County") employees and the Court is fiscally dependent on the County to fund the operations of the Court. The Court operations are reflected in the County's Financial Statements as a department of the General Fund.

B) Basis of Presentation

The accompanying financial statement has been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this basis, cash receipts are recognized when received, and cash disbursements are recognized when paid rather than when incurred.

C) Other Court Charges

Other court charges include: server fees, bail, and restitution.

NOTE 2: CASH

*Custodial Credit Risk.* The Court's policy for minimizing credit risk for bank balances exceeding Federal Deposit Insurance Corporation's insured limits relies upon Act 72. The Act requires the financial institution to pool collateral for all of its government deposits in addition to having the collateral held by an approved custodian in the institution's name. For deposits, custodial credit risk is the risk that in the event of bank failure, the Court's deposits may not be recovered. As of December 31, 2019, the Court's cash balance was \$37,539 and entirely covered by the Federal Deposit Insurance Corporation.

The cash amount consists of the following funds held in escrow by the Court at December 31, 2019:

Commonwealth of Pennsylvania	\$ 2,946
County of York	18,795
Local Municipalities	11,977
Individuals and Private Organizations	<u>3,821</u>
Total Due to Others	<u>\$ 37,539</u>
