Join Roots for Boots and the Elks Lodge of Hanover as we partner that day to make a difference in the life of one who served our country honorably. Featured that day will be veterans, active duty and military families that Roots for Boots has directly assisted. This year funds will be allocated to assist local veteran, *OSSN Kareema Griest (pictured left)*, with a down payment toward a vehicle that will meet the needs of her disabilities, some of which are a result of her time in the Navy.

Roots for Boots is a 501c3 that partners with the local community in order to meet the needs and challenges of our servicemen and women and their families. Join us at Elks Lodge as we serve our country by supporting OSSN Griest and others who are or were defenders of our freedom!
